DISCLOSURE STATEMENTS

1. Central Valley Opportunity Center is a private non-profit institution approved to operate by the Bureau for Private Postsecondary Education (BPPE). The BPPE approval means that the school and its operation comply with the standards established under the law for occupational instruction by postsecondary educational institutions. Approval to operate means compliance with minimal state standards and does not imply any endorsement or recommendation by the State of California or by the BPPE.
2. Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov toll-free telephone number (888)370-7589 or by Fax (916)263-1897.
3. As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.
4. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888)370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.
5. Central Valley Opportunity Center does not have a pending petition in bankruptcy, and is not operated as a debtor in possession, has not filed a petition within the preceding five years or has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States bankruptcy Code (11 U.S.C. Sec. 1101).
6. Central Valley Opportunity Center students are required to speak English when an instructional setting necessitates the use of English for educational or communication purposes. All classes are taught in English. Central Valley Opportunity Center does not offer English as a Second Language through our schools.
7. This institution is not approved by the U.S. Immigration and Customs Enforcement (ICE) to participate in Student and Exchange Visitor Program (SEVP) and is not authorized to issue I-20 visa, therefore this institution cannot accept applications from students from abroad who are on an F-1 or M-1 visa. This institution does not offer any visa services and will not vouch for a student status.
8. Central Valley Opportunity Center does not recognize acquired life experience and prior experiential learning as a consideration for enrollment or granting credit towards any of its degree or certificate programs.
9. Central Valley Opportunity Center has no dormitory facilities under its control and does not offer student housing assistance and has no responsibility to find or assist a student in finding housing.
10. Central Valley Opportunity Center does not offer state or federal financial aid programs.
11. If student obtains a loan to pay for an educational program, the student will have the responsibility of repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.
12. Central Valley Opportunity Center does not have an articulation agreement or transfer agreement with any other school, college or university.
13. Central Valley Opportunity Center is not accredited and its courses are not accredited by an accrediting agency.

CVOC HISTORY AND MISSION

Central Valley Opportunity Center, hereinafter called "CVOC", is a multi-county social service provider. Classroom vocational training, On-the-Job training, remedial education, job referral, and other services are offered through its offices. CVOC's mission is to improve the quality of life for farm workers and others in need. CVOC vocational training courses are operated to enhance the effectiveness of our Federal and State employment and training grants and contracts. Courses are offered to increase the employability and job readiness of our employment and training program participants.

Each county has an administrator responsible for providing services to the eligible population residing within the respective county. Vocational classes offered are subject to increase or decrease, depending on labor market demand and funding availability.

OPERATING SCHEDULES

Office Hours: 8:00 A.M. to 5:00 P.M., Monday - Friday
Instruction Hours: 8:00 A.M. to 3:30 P.M., Monday - Friday
This school closes on legal holidays.

Classes are scheduled on the basis of enrollment. Students will be advised of projected starting dates at the time of enrollment. Important scheduling information (operating hours, holidays, vacations, class schedules and scheduling changes) will be announced to students in advance.

PHYSICAL FACILITIES

CVOC's facilities include comfortable lecture rooms, hands on laboratories, break rooms, and program/administration offices. CVOC's Vocational Center and satellite centers provide modern training equipment, curricula for individualized instruction, and experienced program staff. CVOC's resources include up-to-date welding equipment such as Oxyacetylene, Arc, MIG and TIG equipment. Office Occupations classes use personal Pentium computers. The cooking course is taught in an operational school cafeteria. CVOC's facilities are comfortably located, with easy parking, friendly campus atmosphere, and a staff that is attentive to students' needs. Instruction is in residence, with a facilities occupancy level accommodating two hundred (200) students at any one time.

As a prospective student, you are encouraged to visit the physical facilities of the school, and to discuss personal educational and occupational plans with school personnel prior to enrolling or signing an enrollment agreement. This school does not offer financial aid or student loan programs, government or otherwise, to provide grants to pay for portions of tuitions or training fees.

COURSES OF INSTRUCTION

GBO - GENERAL BUSINESS OCCUPATIONS

Location: Winton, Madera, Modesto - CA

Hours/Length: 770 Clock Hours (22 Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

O-Net Code 43-9061.00

Program Description - The course provides an introduction to business computer usage, business English, office equipment and orientation to general office duties. The course is based largely on a combination of classroom lectures, demonstrations and hands-on experience to prepare the participants for employment in the office environment. The course stresses fundamental skills such as English, math, introductory computer, office skills and job search/retention skills.

Educational Objective - Students will be able to utilize a computer to perform word processing and spreadsheets duties associated with entry-level employment in clerical and administrative support occupations. Students will obtain a working knowledge of standard office equipment, filing techniques and recordkeeping procedures.

Course Outline

General Business Occupations	Hours
Orientation – Introduction to course materials, school policies, grading, course content and safety.	5.0
Business English - Student will be able to understand written sentences and paragraphs in work-related documents, transcribing from tape, and communicating effectively with others in writing, filing/retrieving records.	80.0
Filing – Student will be able to perform basic alphabetic filing tasks.	35.0
Tutorials Windows & Internet - Student will be able to understand computer usage, major hardware and software components, and the function and usage of operating systems exemplified by Windows; e-mail and internet.	60.0
Basic Record Keeping - Student will be able to understand credits and debits, journal entries, invoices, payables, receivables, bank statements and data entry.	95.0
Typing and 10-Key Operation - The student will be able to operate a standard office typewriter, computer keyboarding, and 10-key calculator.	140.0
Office Equipment - The student will be able to identify different kinds of machines which are used in the workplace, as well as the use of machine manuals and to complete reports related to this equipment	40.0
Business Math - The student will be able to perform basic math-including decimals, fractions percent, discounts, interpreting tabular and graphic data-to solve problems.	95.0
Word Programs – The student will be able to utilize the main functions of a word processor, formatting, table and layout basics.	105.0
Spreadsheet Programs – The student will be able to utilize the main functions of a spreadsheet and the proper use of formulas.	105.0
Employment Preparation - The student will be able to locate and apply for job opportunities; set up and handle job interviews; and know employer expectations.	10.0

CO - GENERAL COOKING OCCUPATIONS

Location: Winton, CA

Hours/Length: 420 Clock Hours (12 Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

O-Net Code 35-2014.00

Program Description - The course provides students with a complete overview of cooking skills necessary to enter cooking and food service occupations. The course is based largely on hands-on experience and teaches basic skills for employment in cooking occupations and food service. The General Cooking Occupations program provides training in the planning and preparation of foods for the food service industry. The training also includes sanitation requirements for the proper cleaning of equipment, cooking utensils and work area. Instruction is given through demonstrations, hands-on participation, handouts, lectures, videotapes, and cookbook assignments. Instruction is enhanced by meeting the demands of the cafeteria at the Central Valley Opportunity Center facility. Evaluation and assessment is accomplished by written and/or verbal performance testing procedures. Students will receive California Food Handler Safety Certificate Card.

Educational Objective - Students will be able to perform basic duties associated with entry-level cooking and food service occupations. Students will be able to demonstrate proper sanitation, safety measures, cooking techniques, meal preparation, food storage and food presentation in a commercial kitchen environment.

Course Outline

General Cooking Occupations	Hours
Orientation – Introduction to course materials, school policies, grading, course content and safety.	10.0
Work Space Safety/First Aide - The student will be able to demonstrate proper safety precautions in the workplace and be aware of dangers in working in the food service industry. Students will be aware of safety skills in using standard cooking utensils and equipment.	10.0
Food Service Sanitation – The student will be able to demonstrate proper food handling and sanitation practices.	10.0
Proper Food Rotation/Storage - The student will be able to demonstrate proper food rotation and storage practices.	10.0
Usage/Cleaning of Equipment - The student will be able to demonstrate proper handling, sanitation and cleaning practices of kitchen and use of utensils.	40.0
Interpretation of Recipes - The student will be able to demonstrate ability to read and understand terminology in recipes.	40.0
Preparation of Vegetables, Fruit - The student will be able to demonstrate standard preparation and presentation of vegetables, fruits and salads.	40.0
Baking Techniques - The student will be able to demonstrate standard preparation and presentation of breads and pastry.	40.0
Preparation of Starch Foods - The student will be able to demonstrate standard preparation and presentation of pasta, potatoes and rice.	60.0
Preparation of Soups, Sauces, Stocks - The student will be able to demonstrate standard preparation and presentation of soups and sauces.	80.0
Preparation of Meats/Cooking - The student will be able to demonstrate standard preparation and presentation of beef, chicken, fish and pork.	80.0

WIM - WELDING AND INDUSTRIAL MAINTENANCE

Location: Winton, Madera - CA

Hours/Length: 770 Clock Hours (22 Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

O-Net Code 51-4121.02

Program Description - The course in Welding and Industrial Maintenance covers entry level skills necessary for welding and metal working occupations. The course is based largely on hands-on experience and teaches basic skills of the welding trade. The Welding and Industrial Maintenance Program provides basic training in the areas of: Gas and Oxyacetylene Cutting & Welding, Electric Arc Welding, Mig (Metallic Inert Gas) Welding, Tig (Tungsten Inert Gas) Welding, Layout and Blueprint Reading, Computer Mig Welder, Plasma Torch Cutting, Basic Machinery Maintenance and Basic Electricity. Instruction is given through demonstrations, hands-on participation, handouts, lectures, videotapes, and cookbook assignments. Evaluation and assessment is accomplished by written and/or verbal performance testing procedures.

Educational Objective - Students will be able to perform basic duties associated with entry-level job skills necessary to enter the welding trade or maintenance mechanic field. Students will demonstrate common welding techniques and metal fabrication methods using standard metal welding, cutting, bending and shaping equipment.

Course Outline

Welding & Industrial Maintenance	Hour
Shop Safety and General Theory - The student will be able to recognize hazards of welding, accident prevention, safe shop techniques and practices, policies, procedures in welding shops. Students will know employer expectations and an overview of various types of welding in the labor market.	70.0
Gas & Oxyacetylene Cutting & Welding - The student will be able to demonstrate proper utilization of measuring devices and layout, torches and gases, cutting and beveling, equipment use such as oxyacetylene torch, cut-off saw, and band saw.	105.0
Arc Welding - The student will be able to demonstrate knowledge of terminology, shielded metal arc welding and other types of arc welding, setup and shutdown of welding machines, techniques for the operation of welding machines with a variety of welding electrodes.	180.0
Mig Welding - The student will be able to demonstrate knowledge of terminology associated with gas metal arc welding, set-up and shutdown of welding machines, techniques for operating with a variety of wire sizes in a variety of positions to achieve a variety of weld joints.	160.0
Tig Welding - The student will be able to demonstrate knowledge of terminology, machine set-up and shutdown associated with GTAW, proper techniques for machine operation, use of stainless steel and aluminum, how to construct weld joints.	105.0
Plasma Torch Cutting - The student will be able to demonstrate knowledge of terminology associated with plasma torch, set-up and shutdown techniques.	45.0
Blueprint Reading - The student will be able to demonstrate knowledge of terminology associated with measuring, identification and accurate use of measuring devices including rulers and micrometers. Also covers basic elements of blueprints, dimensions, tolerances, scales, standard gauges, wires and sheets, abbreviations, and welding symbols.	70.0
Basic Electricity & Electrical Maintenance - The student will be able to demonstrate knowledge of terminology associated basic electrical layouts.	35.0

RETAIL SALES CASHIER

Location: Modesto, Winton - CA

Hours/Length: 420 Clock Hours (12 Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

O-Net Code 41-2011.00

Program Description - The Retail Sales Cashier course provides instruction in math for retail duties, cash register usage, customer service, record keeping and general stock handling procedures. The course is based largely on a combination of classroom lectures, demonstrations and hands-on experience to prepare the participants for employment in the retail sales environment. Evaluation of competencies gained is made through written performance testing.

Educational Objective - Students will be able to perform basic duties associated with entry-level employment in the retail sales industry. Students will demonstrate ability to use common cash registers, proper customer service techniques and stock merchandizing procedures.

Retail Sales Cashier	Hours
Math Skills for Retail Sales - The student will demonstrate ability to identify numbers by adding, subtracting, multiplication and dividing.	120.0
Cashier Operations - The student will be able to demonstrate knowledge of common techniques for handling cash registers and applications including understanding and using the End of Day Report.	120.0
Reports and Sales Charts - The student will be able to demonstrate knowledge of common techniques for obtaining and understanding cashier and inventory reports, sales charts, and other documents.	180.0

ASR - AUTOMOTIVE SERVICE AND REPAIR – (Course is not currently offered)

Location: Winton, CA

Hours/Length: 770 Clock Hours (22 Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

Program Description - The Automotive Repair course covers the major competencies of safety in the workplace, vehicle lubrication, tire service, suspension, brakes and tune ups. The course is based largely on hands-on experience and teaches basic skills for automotive repair and service in several areas. Instruction is given through demonstrations, textbook reading, videos, guest speakers, hands-on participation, completion of lab exercises, lectures and written and/or verbal performance testing procedures.

Educational Objective - Students will be able to perform basic duties associated with entry-level employment as Oil Change and Lubrication Technician, Tire Technician and Mechanics Helper. Students will demonstrate proper usage of automotive maintenance and repair equipment and automotive shop safety techniques.

Course Outline

Automotive Service/ Repair	Hours
Shop Safety – The student will receive an introduction to course materials, school policies, grading, course content and safety.	25.0
Oil and Lubrication – The student will demonstrate basic knowledge of vehicle oil and lubrication procedures.	70.0
Tire Service - The student will demonstrate basic knowledge of vehicle tire service procedures.	70.0
Suspension and Alignment - The student will demonstrate basic knowledge of vehicle suspensions maintenance procedures.	170.0
Brake Service - The student will demonstrate basic knowledge of vehicle brake repair procedures.	170.0
Tune-Up - The student will demonstrate basic knowledge of vehicle tune up procedures.	265.0

TD - PROFESSIONAL TRUCK DRIVER

Location: Winton, CA

Hours/Length: 165 Clock Hours (4½ Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: Be at least 21 years of age with a good driving record, must have had driver's license for at least one year, a social security card and must pass a Department of Transportation physical exam & drug test. High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

O-Net Code 53-3032.00

Program Description - The Professional Truck Driver course trains students in the skills and knowledge necessary to qualify to take both the written and skills test administered by the State of California Department of Motor Vehicles and to seek employment as an entry-level commercial truck driver. Classroom and Behind-the-wheel training total 165 hours. Students will first attend 35 hours of classroom training covering such subjects as driver qualifications, log books, defensive driving and job search techniques. At the end of this training, students will be required to pass the written exam administered by the Department of Motor Vehicle (D.M.V.) and obtain their class 'A' instructional permit. It is necessary to pass and obtain the instructional permit before proceeding to the behind-the-wheel training phase of the training course. The classroom training is followed by field training which includes both observation and behind-the wheel time. The field training consists of driving in training areas, which include a combination of highway, city, and heavy traffic driving with an emphasis on defensive driving. Backing, safety and emergency procedures area also practiced extensively. The training also consists of DMV skills practicing, DMV road testing and skills/knowledge necessary to qualify to take the behind the wheel skills test administered by the State of California Department of Motor Vehicles. Students must satisfactorily complete theory and practical assignments. Instruction is offered on 2009 International Diesel Tractors and 28 foot Dry Van trailers. Training vehicles are regularly inspected and certified by the California Highway Patrol.

Educational Objective - Students will be able to perform basic duties associated with entry-level employment as a Truck Driver. Students will demonstrate proper driving techniques, safe operating procedure and knowledge of applicable regulations and laws governing the trucking industry.

Course Outline:

Professional Truck Driver	Hours
Introduction and Regulations - The student will have knowledge of truck driving occupation requirements, DMV written learner permit testing, log books and other skill requirements.	35.0
Basic Operation: The student will learn transportation orientation, control systems, vehicle inspection, basic control, as well as to shift, back and turn. Students will practice proficiency development.	35.0
Vehicle Maintenance: The student will know vehicle systems, preventive maintenance, diagnosing & reporting; diesel fuel systems, diesel air systems; diesel cooling systems; diesel electrical systems and diesel lubricating systems.	15.0
General Knowledge - The student will demonstrate visual search, communication, speed management, space management, extreme driving conditions, and proficiency development.	40.0
On the road experience - The student will learn hazard perception, emergency maneuvers, skid control and recovery and on going proficiency development.	40.0

PD - PHOTOVOLTAIC DESIGN AND INSTALLER

Location: Madera, Winton - CA

Hours/Length: 210 Clock Hours (6 Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

O-Net Code 47.2231.00

Program Description - This program is designed to prepare students to work in the renewable energy industry. Students will gain the knowledge and skills necessary to design and install Photovoltaic systems. The students will also receive an introduction to the North American Board of Certified Energy Practitioners (NABCEP) Photovoltaic Entry Level Certificate of Knowledge exam requirements. This course provides the fundamentals of solar photovoltaic powered energy systems, gaining the knowledge needed for an entry level position with a dealer, installer, or other photovoltaic industry company. The course examines the history of solar photovoltaic power, and where the PV industry is headed. The course covers basic safety, including how to avoid potential accidents and how to create a safe work environment as well as the use of protective equipment. Course provides the fundamentals of electricity and solar energy, including how to calculate simple circuit values and predict solar position using Sun path diagrams. Students will complete OSHA 10 Hour Safety Course

Educational Objectives - Upon completion of this program, students have a thorough understanding of PV applications, working safety as it pertains to this field, basic electricity, and PV module fundamentals. Satisfactory course completion is based on written testing, observation and hands on tests. This program is for you if you want to learn the skills required for an entry level position with a dealer, installer, or other photovoltaic industry company.

Course Outline

Photovoltaic Installer	Hours
Safety, Tools, Blueprints – The student will be able to Identify and use safety devices and equipment, maintain proper workplace behavior, identify potential hazards and complete safety inspection documentation. Read and follow detailed instructions of shop and construction blueprints.	30.0
Introduction to PV Components and Design – The student will demonstrate knowledge of PV design, system wiring, solar radiation, PV components, PV arrays, PV sizing and PV configuration.	30.0
Basic Electricity, Testing Equipment - The student will be able to select proper material, seek out problems and perform repairs, practice cost and time efficient installations associated with indoor and outdoor electrical devices and wiring systems.	30.0
PV System Installation – The student will be able to demonstrate ability to install basic residential and array PV panels.	70.0
PV Connections and Controls - The student will be able to demonstrate ability to install basic residential and array PV connections and controls.	60.0

WX - WEATHERIZATION MEASURE INSTALLER – (Course is not currently offered)

Location: Madera, Winton - CA

Hours/Length: 140 Clock Hours (6 Weeks)

Daily Schedule: Mon – Fri; 8 – 3:30 pm

Pre-requisites: High School Diploma or Equivalent or Wonderlic Basic Skills Test with a minimum verbal score of 200 and a minimum math score of 210.

ONET Code 47-4099.03

Program Description - The Weatherization training course is tailored specifically to the Department of Energy's (DOE) Weatherization Program and similar utility funded programs. This course is based on the "Core Competencies for the Weatherization Assistance Program" developed by the Weatherization Trainers Consortium. The course is also compliant with the BPI Energy Analyst Standards. The objective of the Weatherization course is to prepare students to work in the energy efficiency or green building fields. This course will focus on weatherization terminology, testing, and analysis of energy saving technology. The program will cover the Department of Energy's core competencies including installer fundamentals and intermediate fundamentals. This course will prepare students to obtain entry-level employment in the Green Industry as Weatherization Inspectors and Weatherization Measure Installers.

Educational Objective - Students will be able to demonstrate the knowledge and basic skills associated with weatherization, building science basics, worker safety, and weatherization measures. This course is designed to prepare students to work in the Weatherization industry. Satisfactory course completion is based on passing written testing and observation of hands on skills. The course stresses fundamental skills such as identifying energy loss in homes and basic weatherization measures.

Course Outline

Weatherization Measure Installer	Hours
Safety – The student will be able to identify and use safety devices and equipment, maintain proper workplace behavior, identify potential hazards and complete safety inspection documentation.	12.0
Basic Weatherization – The student will have knowledge of the core weatherization measures installed in homes.	40.0
Construction Math - The student will be able to perform required mathematics calculations from addition through percent, cost, and time estimation.	14.0
Tools and Equipment – The student will be able to identify, set up and safely use various hand, power, and special tools associated with trades.	12.0
Home Energy Audits - The student will be able to complete a home energy audit.	20.0
Lab Experience - The student will receive practical hands on experience in basic weatherization techniques.	30.0
Basic Electrical – The student will have knowledge of proper materials, trouble shooting and performing repairs, practicing cost and time efficient installations associated with indoor and outdoor electrical devices and wiring systems, and all green related methods.	12.0

INSTRUCTORS

George Maravilla, Welding and Industrial Maintenance Instructor

Mr. Maravilla has over 27 years combined experience in welding and the industrial arts, including 24 years teaching at private, post-secondary schools, and four and one-half years practical experience.

Jose Govea, Welding and Industrial Maintenance Instructor

Mr. Govea has over 8 years combined experience in welding and the industrial arts, including teaching and practical experience.

Jessica Fregoso, Cashier Retail Sales and General Office Occupations Instructor

Ms. Fregoso's qualifications include practical experience, as well as over 15 years vocational education teaching experience.

Violeta Rios, General Office Occupations Instructor

Ms. Rios has experience in business office operations service and 6 years of business office teaching experience.

Olivia Guzman, General Office Occupations Instructor

Ms. Guzman has a B.S. in Business Administration, single subject teaching credential and 12 years of business office teaching experience.

Juan Parras, General Cooking Occupations Instructor

Mr. Parras has over 22 years experience in all aspects of food preparation and food service management. He has a food service manager certification, as well as practical and instructional experience.

Vacant, Automotive Service and Repair Instructor

CVOC is not currently offering the Automotive Service and Repair course.

Arturo Sanchez, Professional Truck Driver Instructor

Mr. Sanchez has 8 years experience working in the truck driver and logistics field and 5 years experience as a truck driver instructor.

Ricardo Jimenez, Professional Truck Driver Instructor

Mr. Jimenez has 4 years experience working in the truck driver and logistics field and 6 years experience as a truck driver instructor.

Timothy Wennberg, Photovoltaic Design and Installer Instructor

Mr. Wennberg has over 15 years experience in construction and electronic technology, including teaching experience at the junior college level and several years of practical experience.

Timothy Wennberg,, Weatherization Measure Installer Instructor

Mr. Wennberg has over 15 years experience in construction and electronic technology, including teaching experience at the junior college level and several years of practical experience.

ADMINISTRATIVE POLICIES

ADMISSIONS STANDARDS

CVOC Vocational Training Centers were created in response to the need to have training resources which are accessible to clients served under our employment and training grants. Clients entering CVOC Vocational Training Centers are not simply starting a vocational training course they are entering a vocational development program, which seeks to resolve a variety of employment barriers. The programs offered by CVOC are available to individuals who are motivated and committed to improve their vocational skill levels.

To be admitted, a student must meet eligibility criteria as established by State, Federal or local funding sources. In general, to be eligible for CVOC training, a person must be the following: (1) Economically disadvantaged, low-income; resident of the CVOC service area, available and able to accept employment upon completion of training or; -sponsored by a third-party public or private employment and training program.

In order to be admitted to his/her desired program, an applicant must provide a valid high school diploma/transcript, GED, California High School Proficiency Certificate, or demonstrate the ability to benefit (see section below titled *Entrance Test*). Veteran applicants may submit a valid DD-214 form.

PROCEDURES

Interested applicants will interview with a Case Manager, during which a campus tour will be given. The Case Manager will provide detailed information on CVOC's programs and discuss the applicant's qualifications to assist in determining the best way to meet his/her career objective. In order to be formally accepted to the school, all applicants must read and sign all required pre-enrollment disclosures, such as the Central Valley Opportunity Center's School Catalog, Notice of Student Rights, Notice of Cancellation, School Performance Fact Sheet (Completion & Placement Rates Disclosure), and Enrollment Agreement.

ENTRANCE TESTS

Applicants without a high school diploma or equivalent must take the Wonderlic Basic Skills Test (WBST) – commonly known as the ATB test. Tests previously taken and passed in a language other than English will not be accepted. Minimum scores for this test, designated by the program are ATB (either version): Verbal – 200 / Quantitative – 210. ATB tests can be scheduled through your CVOC Case Manager. CVOC contracts for the Wonderlic Ability to Benefit testing services and a certified Wonderlic Independent Test Administrator (ITA). Wonderlic ATB Test is approved by the Department of Education for qualifying non-high school graduates for training services.

All CVOC course are taught in English only. Prospective students must read, write, speak and understand the English language at a rudimentary level. Non-native English speaking applicants will be required to take a TABE assessment test in English and demonstrate a 6.9 grade level of comprehension. Some occupations may have employment or licensing requirements beyond these basic admissions standards. Your Case Manager will review these requirements with you as part of your eligibility intake.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS
EARNED AT OUR INSTITUTION

The transferability of credits you earn at Central Valley Opportunity Center is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Central Valley Opportunity Center to determine if your certificate will transfer.

The CVOC has not entered into any articulation or transfer agreements with any other college or university for credit earned through CVOC courses. CVOC does not accept credits earned at other institutions toward CVOC course completion.

STUDENT GRIEVANCE PROCEDURE

The Central Valley Opportunity Center is very concerned that your vocational development and training meet your personal needs. Should you have any questions or problems, please feel free to talk to your instructors or case manager.

CVOC has a formal complaint procedure, which is designed to provide you with an avenue and recourse for presenting and resolving complaints. County Directors have been designated as the person to receive and resolve student complaints. County Directors have regular office hours, 8:00 A.M. to 5:00 P.M., and are available by appointment at other times to meet with you and to receive complaints.

Students are encouraged to submit complaints in writing with the date of the submission of the complaint. CVOC shall respond to all written complaints within 10 days of receiving the complaint, providing the student with a written response, including a summary of the investigation and disposition of the complaint. Participation in the complaint process shall not affect your status as a student with CVOC or, in any way, limit or waive your right to other remedies or legal recourse. Unresolved complaints may be directed to:

The Bureau for Private Postsecondary
Education
2535 Capitol Oaks Drive, Suite 400
Sacramento, CA 95833
The telephone number is (888) 370-7589

RECORDS RETENTION

Admissions data and student records are kept for five years from the last day of student attendance. Students wishing to view or obtain copies of their school record need to contact CVOC's Administrative Office to make arrangements. Current records are available during normal business hours for inspection and copying. Past students need to provide three work days prior notice to view records. Access to student records is limited to the student or other legally documented inspectors. Current and former students may request release of their transcript upon receipt in CVOC Administrative Office of a written request with the student's signature. CVOC maintains student transcripts indefinitely.

HARASSMENT POLICY

CVOC is committed to providing a school environment free of unlawful harassment. School policy prohibits sexual harassment and harassment based on pregnancy, childbirth or related medical conditions, race, religious creed, color, gender, national origin or ancestry, physical or mental disability, medical condition including genetic characteristics, military or veterans status, marital status, registered domestic partner status, age, sexual orientation, or any other basis protected by federal, state or local law or ordinance or regulation. All such harassment is unlawful. The School's anti-harassment policy applies to all persons involved in the operation of the School and its students. It also prohibits unlawful harassment by any employee of the School, including staff and faculty, as well as vendors, customers, students, and any other persons. It also prohibits unlawful harassment based on the perception that anyone has and of those characteristics, or is associated with a person who has or is perceived as having any of those characteristics. Prohibited unlawful harassment includes, but is not limited to, the following behavior: Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations, or comments; Visual displays such as derogatory and/or sexually oriented posters, photography, cartoons, drawings, or gestures; Physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with work because of sex, race, or any other protected basis; Threats and demands to submit to sexual requests as a condition of continued employment, or to avoid some other loss, and offers of employment benefits in return for sexual favors; and Retaliation for reporting or threatening to report harassment.

If you believe that you have been unlawfully harassed, submit a written complaint to any School Official or the Executive Director as soon as possible after the incident. You will be asked to provide details of the incident or incidents, names of individuals involved, and names of any witnesses. The School will immediately undertake an effective, thorough, and objective investigation of the harassment allegations. If the School determines that unlawful harassment has occurred, effective remedial action will be taken in accordance with the circumstances involved. Any employee or student determined by the School to be responsible for unlawful harassment will be subject to appropriate disciplinary action, up to and including termination. A School representative will advise all parties concerned of the results of the investigation. The School will not retaliate against you for filing a complaint and will not tolerate or permit retaliation by management, employees or co-workers.

DRUG AND ALCOHOL ABUSE

CVOC is concerned about the use of alcohol, illegal drugs, or controlled substances as it affects the School. Use of these substances, whether on or off the School grounds can detract from a student's performance, efficiency, safety, and health, and therefore may seriously impair the student's ability to learn at the School. In addition, the use or possession of these substances on the School grounds constitutes a potential danger to the welfare and safety of other students and exposes the School to the risks of property loss or damage, or injury to other persons. Furthermore, the use of prescription drugs and/or over-the-counter drugs also may affect a student's school performance. The following rules and standards of conduct apply to all students either on School property or during the school day (including meals and rest periods). Behavior that violates School policy includes:

- Possession or use of an illegal or controlled substance, or being under the influence of an illegal or controlled substance while on school grounds;
- Driving a School vehicle or operating School equipment while under the influence of alcohol or drugs; and
- Distribution, sale, or purchase of an illegal or controlled substance while on school grounds.

Violation of these rules and standards of conduct will not be tolerated. CVOC also may bring the matter to the attention of appropriate law enforcement authorities. In order to enforce this policy, CVOC reserves the right to conduct searches of School property or employees/students and/or their personal property, and to implement other measures necessary to deter and detect abuse of this policy.

Students who are using prescription or over-the-counter drugs with safety warnings that may impair his/her ability to safely perform assigned tasks or affect the safety or well-being of others, must notify school administration of such use immediately before starting or resuming class.

HANDICAPPED ACCESSIBILITY

In accordance with Section 504/ADA Policy, CVOC does not discriminate in admission or access to our program on the basis of age, race, color, sex, disability, sexual orientation or national origin. If you would like to request academic adjustment or auxiliary aids, please contact the County Director. You may request academic adjustments or auxiliary aids at any time. The County Director is responsible for coordinating compliance with Section 504 of the Rehabilitation Act of 1973 and Title III of the Americans with Disabilities Act of 1990. Applicants who are persons with disabilities, as defined in paragraph 104.3(j) of the regulation under Section 504 of the Rehabilitation Act of 1973, may apply for admittance into the program. The School will work with the applicant or student to determine whether reasonable accommodations can be effective and/or are available. Any qualified individual with a disability requesting an accommodation or auxiliary aid or service should follow this procedure:

Notify the County Director in writing of the type of accommodation needed, date needed, documentation of the nature and extent of the disability, and of the need for the accommodation or auxiliary aid. The request should be made during the first week of class. The County Director will respond within two weeks of receiving the request.

ACADEMIC POLICIES

ATTENDANCE POLICY

Students are expected to attend scheduled classes at the scheduled starting time and to continue as scheduled throughout the day. Students will be expected to attend classes as they would attend work if they were employed. All absences and tardiness are recorded. It is the responsibility of the student to telephone the school in advance to advise their instructor that they will be absent or late, as it would be necessary to inform an employer.

The following policies apply to encourage satisfactory attendance:

Tardiness and absences are a disruption of a good learning environment and is discouraged. Students with excessive unexcused absences in one month may receive notification of probation for a period of one month. Any unexcused absences during probation may be cause for interruption of the student's training program. If a student has five unexcused absences they will be dropped from the training program.

Leaves of absence will be considered, and such leaves may be granted at the discretion of the school directors.

Students must arrange with the instructor for make-up work for classes missed; however, absences will remain on the record.

Certificates of perfect attendance are awarded those students who complete training with no unexcused absences.

PROBATION AND DISMISSAL POLICY

Probation

A student may be placed on probation for the following reasons:

1. Failure to follow Student Conduct Policy.
2. Failure to meet satisfactory academic progress.

Probation indicates that a student may continue participation in the course under certain conditions for a specific period of time, not to exceed one year.

When a student is placed under probation, a conference is scheduled with the student, administration, and any concerned faculty member to determine the requirements that must be met for the student to continue in the program. A specific timetable is set for meeting those requirements.

If the student is unable to rectify the problems discussed during the counseling session, they will be placed on a one week suspension. If the problem should arise again, the student will be dismissed from the school.

Dismissal Policy

CVOC reserves the right to dismiss any student that does not comply with any school policy, at the school or at any school function. Re-entrance may be accepted if a student can demonstrate that conditions causing the situation have been resolved.

DROPOUT AND LEAVE-OF-ABSENCE POLICY

Students with extenuating circumstances that anticipate being absent for more than 10 consecutive days can apply for a leave of absence. Clients will need to obtain prior approval for a leave of absence from their sponsoring agency. In order to request a leave of absence, please provide prior written notification to your instructor with sponsoring agency approval. Leave requests must specify reason for leave, length of leave and must be signed and dated. Under no circumstances may a student exceed 90 days leave of absence time. Approval of leaves of absence shall be at the discretion of CVOC Executive Director. If the leave of absence is granted the students contract will be amended to include new expected completion date.

You have the right to withdraw from a course of instruction at any time. CVOC encourages you to discuss any problems that may be affecting your continued participation with your CVOC Case Manager and/or your sponsoring agency representative. Refunds to sponsoring agencies for unused training hours will be made per the conditions contained in the Enrollment Agreement.

PROGRESS/GRADING SYSTEM

CVOC training courses are based on a set number of competencies that a client must obtain as demonstrated through written tests and/or hands-on performance. Clients must successfully complete all prescribed competencies detailed in the training curriculum. Evaluation of student achievement will be based on meeting the objectives for each class. Grade reports are issued to students at the completion of each competency. Grades are based on the quality of work as shown by written tests, laboratory work, and projects as indicated on the course syllabus. The grading scale is as follows:

Letter Grade	Quality Points	Percentage
A	4.0	100 – 90 %
B	3.0	89 – 80 %
C	2.0	79 – 70 %
D	1.0	69 – 60 %
F	0.0	Below 59 %
W	0.0	-
I	0.0	-

CVOC will complete monthly student performance evaluations for all students. Monthly evaluations summarize participant grades, attendance, progress in meeting training expectations, perceived learning problems and projected progress to be made in the next month. Monthly performance evaluations are discussed with students and forwarded to CVOC Case Manager and sponsoring agencies.

CERTIFICATE OF COMPLETION

Students successfully completing a course of study will be awarded a Certificate of Completion attesting to his or her successful completion of the program.

STUDENT CONDUCT POLICY

At the discretion of the school administration, a student may be dismissed from school for serious incident or repeated incident of the following: an intoxicated or drugged state of behavior; possession of drugs or alcohol upon school premises; possession of weapons upon school premises; behavior creating a safety hazard to other persons at the school; disobedient or disrespectful behavior to another student, administrator, faculty member; or any other stated or determined infraction of conduct.

Clients who are in programs leading to job placement will be required to fully participate in all job search activities. You will fully cooperate and participate in résumé preparation, job search planning, and weekly-supervised job search activities

All students must abide by the CVOC Code of Ethics and Rules and Regulations.

Central Valley Opportunity Center, Inc. (CVOC) receives funds from public and private institutions and, therefore, must abide by the policies, procedures, regulations and contracts governing the use of these funds.

CVOC does not tolerate harassment of its employees or participants. Any form of harassment of employees or participants including harassment based upon pregnancy, childbirth or related medical conditions, race, religious creed, color, gender, national origin or ancestry, physical or mental disability, medical condition including genetic characteristics, military or veterans status, marital status, registered domestic partner status, age, sexual orientation, or any other basis protected by federal, state or local law or ordinance or regulation Harassment is a violation of this policy and will be treated as a disciplinary matter.

All students will be provided with a copy of CVOC's discrimination policy. Discrimination in any activity is prohibited. If you believe you have been subjected to any illegal discriminatory actions you need to immediately report this situation to your Instructor, Case Manager or County Director.

No participant shall accept or give money, gifts, favors or considerations for any action that is in accordance with their regular vocational training program. Participants shall refrain from providing staff with gifts, gratuities or favors that may be interpreted as an attempt to influence actions or as payment for training services.

Participants shall not disclose confidential information to which they may be exposed to during daily contact with staff and other students, or use such information for personal gain or to discredit other students or staff.

Participants have an obligation to put forth the effort needed to reach their training goals and maintain a high standard of behavior throughout their participation in CVOC programs.

Participants are required to practice honesty when preparing attendance and financial forms and when completing tests, examinations, class assignments and other tasks.

TUITION POLICY

CANCELLATION OF ENROLLMENT AGREEMENT

You have the right to cancel this agreement and obtain a refund of charges paid through attendance at the first class or the seventh day after enrollment whichever is later. This includes course tuition and includes any equipment such as books, materials, and supplies or any other goods related to the instruction offered in this Agreement. Cancellation shall occur when you give written notice of cancellation at the address of the School shown on top of the front page of this Agreement or by a written notice to, Central Valley Opportunity Center, P.O. Box 1389, Winton, CA 95388. You can do this by mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement.

REFUND INFORMATION

The student has the right to full refund of all charges less the amount of \$75.00 for the registration fee and any applicable STRF assessment if he/she cancels this agreement prior to or on the first day of instruction. In addition, the student may withdraw from a course after instruction has started and received a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction. For example, if the student completes only 30 hours of a 90-hour course and paid \$300.00 tuition, the student would receive a refund of \$200.00.

$$\begin{array}{rclcl} \$300 & \times & 60 \text{ clock hours of instruction} & = & \$200.00 \\ \text{amount paid} & & \text{paid for but not received} & & \text{refund} \\ \text{for instruction} & & 90 \text{ clock hours of instruction} & & \text{amount} \\ & & \text{for which the student has paid} & & \end{array}$$

Students completing 60% or more of a course will be charged the full tuition amount. The registration fee of \$75.00 is non-refundable. Student Tuition Recovery Fund charges are non-refundable.

The school will also refund money collected for sending to a third party on the student's behalf such as license or application fees. If the school cancels or discontinues a course or educational program, the school will make a full refund of all charges. Refunds will be paid within 30 days of cancellation or withdrawal.

If the School has given you any equipment, including books or other materials, you shall return it to the School within 30 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 30-day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation.

If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid funds.

FEDERAL AND STATE FINANCIAL AIDE

Central Valley Opportunity Center only accepts students sponsored by Federal, State and Rehabilitation Agencies. CVOC accepts students who are sponsored by the Workforce Investment Act, Greater Avenues for Independence, Community Services Block Grant, and Private Rehabilitation Benefits. CVOC does not accept tuition or training fees paid by students and does not offer student loan programs, government or otherwise, to provide grants to pay for tuitions or other training fees. You are encouraged to schedule an Appointment with a CVOC Case Manager prior to enrollment so that eligibility for financial assistance can be determined. This practice enables applicants to evaluate their options for tuition assistance under employment and training grants.

PAYMENT PLANS

Sponsoring agencies who pay tuition plus books/tools should ensure that payment is made prior to the first regular class day. Sponsoring agencies may request alternative payment plans with installments made at pre-set times. In general, CVOC does not accept payment plans on a cost reimbursement method for training services. Grants and contracts will be billed according to the provisions of payment contained in these documents or the referral agencies payment policy.

TUITION COSTS

The following course costs are for the entire educational program.

<u>GEN. BUSINESS OCC.</u>		<u>GENERAL COOKING</u>	
Registration Fee	\$75	Registration Fee	\$75

STRF***	(\$0)	STRF***	(\$0)
TOTAL	\$4,160	TOTAL	\$2,583

*Cooking Course tuition includes initial testing for TB. Costs for additional testing are not covered by this tuition and are not the responsibility of CVOC.

**All costs are subject to change.

***The BPPE has halted Student Tuition Recovery Fund assessment effective 1/1/15.

If you get a student loan you are responsible for repaying the full loan amount plus any interest, less the amount of any refund. If you have received federal student Financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aide funds.

STUDENT TUITION RECOVERY FUND

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program and prepays all or part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid STRF assessment, and suffered an economic loss as result of any of the following;

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before closure of the school.
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or the Division within 30-days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for violation of the Act.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

STUDENT SERVICES

ACCIDENT INSURANCE COVERAGE

You are covered by CVOC's and/or your sponsoring agency's liability and accident insurance coverage. Should you be injured while in training, your medical treatment will be covered up to the limits and with the conditions imposed by these policies. You may be expected to pay for items such as medical prescriptions, with reimbursement possible depending on policy coverage limitations. No Worker's Compensation benefits are provided under this training program. Should you be injured while in training, at a job site or at a CVOC-sponsored activity, you must immediately report the injury/illness to a CVOC Representative. Failure to report injuries or accidents could result in loss of any potential insurance coverage.

HOUSING ASSISTANCE

CVOC does not provide a dormitory or have housing facilities or assistance for students and has no responsibility to assist in student housing. The region has adequate local housing which can be located using a variety of rental websites. An internet search (rentalhouses.com) reflected the current price range for apartments within a ten mile radius was \$500 - \$900 per month. CVOC has no responsibility to find or assist a student in finding housing.

PLACEMENT ASSISTANCE

CVOC maintains active Case Managers and Job Developers who will assist clients in finding and applying for employment. CVOC staff may also assist clients through placement at employer worksites under training agreements, such as On-the-Job Training Contracts. CVOC makes no guarantee of employment or entry level wages. Please note that not all training sponsors allow CVOC to assist you with job search assistance.

STUDENT TOOLS

You will be provided, at no cost to you, with all necessary tools, supplies, safety equipment and books required to participate in this program. It is not expected or encouraged that participants bring personal tools or supplies. CVOC does not accept responsibility for lost, stolen or damaged personal items.

LIBRARY

The CVOC Centers do not have onsite libraries but students have access to reference texts and materials useful in completing the programs of study. Each vocational class has manuals, catalogs, and tutorial aides that can be used as references. The materials available to students contain technical information that is specifically designed to provide students with any additional skills that will assist them in obtaining a job. CVOC instructors have listings of general reference material available online and at local public libraries. Each CVOC Center has computers and internet access for student use in accessing additional study materials. Materials are to be used on campus and are available during normal class hours. All students will be given the required course textbooks the first week of starting class. No outside books or materials are required in order to successfully complete the classes. Reference materials are also available through community libraries.

STUDENTS RIGHTS AND RESPONSIBILITIES

The student has the right to ask the school:

1. The name of its approval and licensing organizations.
2. About its programs, and other physical facilities, and its faculty.
3. What is the cost of attending classes.
4. What financial assistance is available, including information on all federal, state, local, private and institutional financial aid programs.
5. How the school determines whether you are making satisfactory progress and what happens if you are not.
6. What special facilities and services are available to the handicapped.
7. To submit a complaint either through CVOC's Grievance Procedure (See page 12 of this catalog) or through BPPE Complaint Process (See page 2 of this catalog).

It's the student's responsibility to:

1. Review and consider all the information about the school program before enrolling.
2. Pay special attention to the application for employment and training assistance.
3. Provide all documentation, corrections, and/or new information requested by the eligibility officer.
4. Notify the school of any information that has changed since you applied.
5. Read, understand, and keep copies of all forms you are asked to sign.
6. Understand and comply with the enrollment status, financial charges, financial terms, time allowed to complete, refund policy and termination procedures as specified in the enrollment contract you will be asked to sign.

STUDENT CATALOG

The Student Catalog, published once a year, is a comprehensive guide to school policies and services that as a student at CVOC you have a right to receive. To help you achieve your vocational goals it is recommended that you carefully read all the policies and procedures in the School Catalog. CVOC will update the vocational training catalog annually. The update will include a review of curriculum, update of BPPE requirements and review of course tuition/tools prices. If a major adjustment is needed prior to the annual review an addendum will be printed for inclusion in the school catalog.

CVOC WEBSITE

CVOC maintains an Internet Website at www.cvoc.org. Please feel free to access information regarding CVOC, its programs and schools. The website includes a copy of our most current School Catalog, School Performance Fact Sheets for each CVOC educational program, student brochures, and CVOC's most recent Annual Report to the Bureau of Private Postsecondary Education (BPPE). The website also contains a link to the BPPE website.

Student Copy of School Catalog

Central Valley Opportunity Center, Inc. policies require that clients interested in vocational classroom training be provided with a copy of the school catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which also must be provided to you before signing an enrollment agreement.

Prospective students or members of the public may pick up a CVOC School Catalog at any of our service centers or they may request a copy be mailed to them. A copy of CVOC School Catalog is also available at CVOC's website www.cvoc.org.

A student who chooses to enter a CVOC course must sign this receipt of the school catalog to document compliance with this requirement. CVOC Case Managers must also attest to the provision of a school catalog.
