This deadline shall include notifying the CVOC Planning Department that the vehicles are ready for inspection.

INTRODUCTION AND PURPOSE:

CVOC is a private Non-Profit Corporation that receives funding from Federal and State contracts to perform employment and training services as well as other social services. CVOC is in the process of opening a truck driving school in order to train low-income persons for new careers in the transportation industry. The vehicle purchased through this bid process will be utilized in CVOC's vocational schools to provide this training.

Funding for the purchase of these vehicles is provided by the Department of Community Services and Development (CSD) under the Community Services Block Grant (CSBG). The Department of Community Services and Development must approve all purchases under this contract, including the purchase of the vehicles specified in this bid package.

The purpose of this document is to provide interested parties with information to enable them to prepare and submit a bid. The Agency will provide reasonable accommodations, including the provision of informational material in an alternative format, for qualified individuals with disabilities upon request. If you think you need accommodations at a bid opening/vendor conference, contact the Agency Representative.

CANCELLATION AND TERMINATION:

The Agency reserves the right to cancel the resulting contract/ agreement, for any reason, by giving written notice to Contractor of such cancellation and specifying the effective date thereof, at least ten (10) days before the effective date of such cancellation. Contractor shall, in the event of such cancellation, be entitled to receive compensation for any work accepted hereunder in accordance with the Agency's order(s). Contractor may also be compensated for partially completed work in the event of such cancellation. The compensation for such partially completed work shall be no more than the percentage of completion of each work effort, as determined in the sole discretion of the Agency, times the corresponding payment for completion of such work as set forth in the Agency's order(s).

TECHNICAL PERFORMANCE REQUIREMENTS

1. Vendor must be a manufacturer's factory authorized dealer.
2. The vendor will furnish standard manufacturer's warranty with invoice for each vehicle.
3. All items bid shall be manufacturer's current production products. Vendors will provide, at time of bid, the most recent descriptive literature, including specifications, on the vehicles that the dealer proposes to furnish.
4. Quantities: In addition to immediate quantities, the agency may purchase as needed, additional quantities of vehicles. The agency reserves the right to re-bid additional quantities if such action is deemed in the best interest of the agency or the State of California.
5. The vendor will allow the receiving agency five (5) business days following delivery of the vehicle to review and inspect the vehicle before acceptance occurs. If the receiving

agency does not notify the vendor within five (5) business days, the vendor may assume that the vehicle is acceptable.

NEW VEHICLE DELIVERY AND SERVICE: Prior to the delivery, the vendor must service completely the vehicle in accordance with the manufacturer's standard new truck "Make-Ready" (i.e., ready for agency delivery) requirements.

- Crankcase, differential, transmission and transfer case, if applicable, must be filled to capacity as recommended by the manufacturer.
- Vehicle must contain 1/4 tank of gasoline/fuel when delivered.
- Vehicle shall contain a pre-delivery check sheet showing the operations that have been performed on the vehicle by the vendor.
- Vehicles must be clean with all stickers removed from the body/shield prior to delivery with the exception of any sticker required by law (Manufacturer's Suggested Retail Price Label).
- Vehicle must be hoisted on a lift rack at the dealership and the underside inspected completely prior to delivery. The vendor must note that this inspection has been performed on the pre-delivery inspection sheet.
- Manufacturer "line sheet" must accompany vehicle at time of delivery.

Factory pre-delivery condition is not acceptable. Vehicles not properly dealer prepared will not be accepted and will be returned to the vendor at vendor's expense. Agency representatives are instructed to reject any vehicle that does not have a pre-delivery inspection sheet with it at the time of delivery or does not otherwise meet minimum preparation requirements, including 1/4 tank of gas or fuel.
